### **6. New members**

The elections of three new members were ratified: Jimmy Yeoman (Exning), Michael Bunting (Wetherden) and James Langloss (Tostock). All were welcomed to the Guild by the Chairman.

### **7. Officers' reports**

The Chairman thanked all the officers for their organisation over the year, especially Rowan Wilson and Ruth Young.

Ringling Master: report attached. In addition, Rowan said that the ringing of a quarter peal before practices to help the local ringers seemed to be working and would be continued. She encouraged people to attend district practices, especially when they were in their own towers, as they would be able to take the opportunity to ring things that they perhaps don't get the chance to normally. Neal Dodge suggested that emails could be sent out to district members just before practices to remind people where and when the ringing is.

Secretary/Treasurer: No report as Ruth Young had sent apologies. Jed proposed that next year, the post of Secretary/Treasurer should be split again to help Ruth.

Recruitment and Training Committee Rep: The Chairman thanked Neal Dodge for his service on the R&T Committee, as he had given notice that he would not be standing for re-election.

## 11. Any Other Business

- Mary Dunbavin reported that an appeal for the rehangng of Fornham St Martin bells was about to be launched.
- Maureen Gardiner said that the appeal for the augmentation and rehangng of Stowmarket bells would begin on 25 November 2017.

- Neal Dodge (Guild PR Officer) announced that 2018 was the centenary of the Armistice of World War I. As well as a national campaign to get all bells ringing, he would also be organising a local campaign.
- At the Bardwell practice, Laura Davies had run a coffee morning in aid of Macmillan Cancer Support. Maurice Rose reported that she has just cycled from London to Paris for the same cause and raised over £2000.
- David Steed welcomed Tom Scase (Guild Ringing Master) to the meeting.
- The 2018 Guild AGM will be in the NW District and Rowan Wilson suggested that it should be held at the Cathedral. There may be ringing on routes into Bury St Edmunds too, at Wkepstead and Horringer; Stowmarket and Rougham and Ixworth and Great Barton. She asked that people start to think about this now: stewards would be needed, ringing would be available for about an hour at each tower. Additional events, such as tower visits or Town Trails, could be available but would need to be pre-booked.
- Neal Dodge had received a request for the Mancroft Appeal to come to the AGM to speak about their plans so this could be a pre-event, but it may be difficult to find a venue for this as the Cathedral rooms will all be booked.
- Lesley Steed was thanked by the Chairman for standing in as Secretary.
- David Brand said that he was concerned that the Suffolk Guild was not promoting itself widely enough. Neal Dodge suggested that they talk after the meeting.

## **12. Date of next meeting**

The next district practice is on 11 November 2017, at Thornham Magna starting with a quarter peal at 10.00am and then open ringing from 11.00am – 12.00pm.
