

Suffolk Guild of Ringers

NW District Open Day

DAY TICKETS AVAILABLE NOW - Saturday 28th September 2024

Enjoy a day out in the northwest district of the Suffolk Guild, ringing at 30 towers across our corner of the county, with everything from 4s to 12s, from St Edmundsbury Cathedral to rural settings overlooking the lakes of Livermere!

We are celebrating rehangs, augmentations and overhauls — with a great many projects completed in the guild over the last 20 years, including two augmentations to be finished this year alone! Highlights include a brand new 8 at Horringer, the newly augmented 10 at Stowmarket, and the augmented 6 at Westhorpe that nobody alive today has rung on!

Join us as we raise funds to overhaul the bells at Drinkstone, nestled between Bury St Edmunds & Stowmarket, and bring the wonderful sound of ringing back to the village!

We assume that any adult arriving to ring at this event will have completed the CofE Basic Safeguarding Awareness Course

Time	Place	Postcode	#	Weight	Codes	Comments
09:00	Horringer *	IP29 5QB	8	8-0-2	GF, T	New peal 2017
